

Environmental Policy Statement

At GMR Property Services Ltd, we recognise that our day to day activities have an impact on the environment. Therefore, we are heavily committed to minimise that impact through seeking continually to improve our environmental performance through a variety of sustainable mechanisms.

Environmental Policy

The Company will put its environmental policy into practice by pursuing the following objectives. We will:

- Meet all relevant legislation, regulations, government guidance and industry codes of practice on environmental issues.
- Ensure that all our staff have a good understanding of the environmental impacts of our business and what they are expected to do to minimise these impacts.
- Make efficient use of natural resources by minimising waste, recycling office paper and other materials.
- Keep transport use to a minimum and service vehicles regularly to maintain their efficiency.
- Keep sites clean and tidy to ensure minimum disturbance and disruption to clients and their neighbours.
- Refrain from burning of waste materials on site particularly to avoid 'dark smoke'
- Ensure that our suppliers are aware of this policy and encourage them to apply similar environmental standards to their own work.

Targets for 2016 - 2017

- Saving energy in the office
- Saving energy on site
- Improve recycling
- Strive to work towards ISO accreditations 14001, 9001 and 18001
- Reduce the company's carbon footprint, by strategically planning vehicle usage
